### **Avalo Emergency Cart – Standard 10-High**

Product #12038

Price: See current price list.

Specs: 43" H x 31" W x 24" D

The original model size offers enormous capacity and plenty of drawer space for storage equipment and supplies.

Drawer Configuration: 3" / 3" / 3" / 6" / 6" / 10"

### **Avalo Emergency Cart – Intermediate 9-High**

Product #12038-9

Price: See current price list.

Specs: 39.5" H x 31" W x 24" D

Plenty of capacity and storage at a lower profile than the Avalo 10-High Standard model.

Drawer Configuration: 3" / 3" / 6" / 6" / 10"

### **Avalo Emergency Cart – Compact 8-High**

Product #12038-8

Price: See current price list.

Specs: 36" H x 31" W x 24" D

Perfectly meets the unique requirements for a lower work surface and maintains sufficient storage for most applications.

Drawer Configuration: 3" / 3" / 3" / 6" / 10"

### **Oxygen Tank Holder**

Product #12121

Price: See current price list.

Specs: Accommodates standard E-Series oxygen tank size.

This molded high-density oxygen tank holder withstands the rigors of an emergency care environment without bending or breaking.

### **Avalo 3" Supplies Drawer Divider Kit**

Product #12114

Price: See current price list.

Specs: Consists of 3 vertical dividers with 4 large horizontal and 4 small horizontal clear sub-dividers.

Integrated Supplies Drawer Dividers offer the flexibility to arrange and re-arrange the drawer contents.

### **Avalo Large Volume Waste Container with Lid**

Product #12101

Price: See current price list.

Specs: Extends width of cart approximately 6" when attached.

The large-volume Waste Container and Lid minimizes liner changes and simplifies the waste disposal process.

### **Defibrillator Shelf**

Product #12122

Price: See current price list.

Specs: Tray measures 15" W x 13.5" D x 2" H. Adds approximately 6" to the height and 2" to the overall depth of the cart.

Stable and steady, the defibrillator shelf offers multi-position motion and secure mounting of your cardiac equipment. Includes velcro strap.

### **IV Pole**

Product #9564B

Price: See current price list.

Specs: Fully adjustable. Extends the depth of the cart approximately 2" when attached.

The optional IV Pole is securely mounted to the cart and offers adjustable height function.

### **Cardiac Chest Board**

Product #12120

Price: See current price list.

Specs: Approximately 20" L x 25" W x 3/8" H

The heavy-duty cardiac board features a quick-release retainer that ensures a secure mount when not in use.

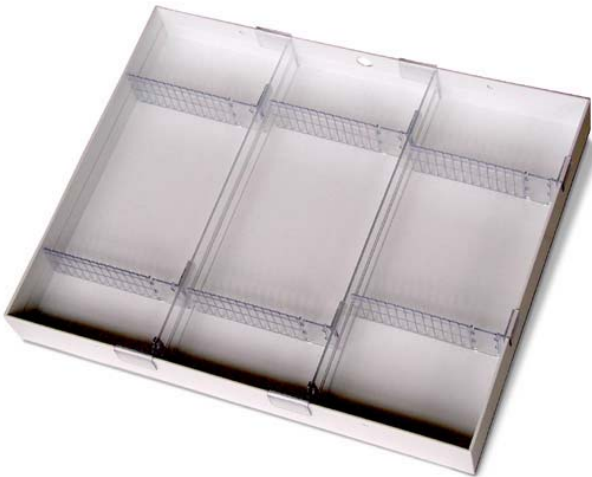

### **Avalo Drawer Tray – Deluxe**

Product #12124

Price: See current price list.

Specs: 21" W x 17" D x 2 5/16" H

This divided tray for the Avalo Medical Cart Series features two (2) horizontal dividers and an assortment of short vertical and horizontal dividers. All dividers are moveable to create customized storage compartments.

### **Avalo Drawer Tray – Standard**

Product #12125

Price: See current price list.

Specs: 21" W x 17" D x 2 5/16" H

This divided tray for the Avalo Medical Cart Series features two (2) vertical dividers and six (6) short horizontal dividers. All dividers are moveable to create customized storage compartments.

### **Avalo Drawer Tray – Standard w/ Ampule Dividers**

Product #12126

Price: See current price list.

Specs: 21" W x 17" D x 2 5/16" H

This divided tray for the Avalo Medical Cart Series features two (2) horizontal dividers and an assortment of short vertical and horizontal dividers. All dividers are moveable to create customized storage compartments.

### **Extended Work Surface**

Product #12400-LB

Price: See current price list.

Specs: Approximately 12.5" W x 16.5" L x ½" H

The slide-out extended work surface greatly expands the work area and can be positioned on either side of the cart.

### **Sharps Collector Kit (Sage Case and Container)**

Product #P7048-1

Price: See current price list.

Specs: Approximately 10" W x 13/5" H x 5" D. Extends width of cart approximately 5" when attached.

The external mount Sharps Collector can be placed in a number of locations on the cart.

### **Glove Dispenser**

Product # P7047

Price: See current price list.

Specs: Approximately 4" L x 11" W x 7" H. Accommodates standard disposable glove boxes. Extends width of cart approximately 4" when attached.

The Glove Dispenser accommodates standard glove boxes and can be located in a number of locations including the cart end panel and accessory bridge.

# EMERGENCY CRASH

## **Clear Top Mat**

Product #12093

Price: See current price list.

Specs: Approximately 1/8" thick.

A clear top mat can protect instructional documents and simplify cart maintenance and clean-up.

## **Tracking Wheel**

Product #9370JA

Price: See current price list.

Specs: 5" Caster

The addition of a tracking wheel provides the user with straight line directional assistance.

**Avalo Anesthesia Cart – Standard 10-High**

Product #12037-CR (Core-Removable Lock System)

Product #12037-KL (Keyless Lock System)

Price: See current price list.

Specs: 43" H x 31" W x 24" D

The original model size offers enormous capacity and plenty of drawer space for storage equipment and supplies.

Drawer Configuration: 3" / 3" / 3" / 6" / 6" / 10"

**Avalo Anesthesia Cart – Intermediate 9-High**

Product #12037-CR-9 (Core-Removable Lock System)

Product #12037-KL-9 (Keyless Lock System)

Price: See current price list.

Specs: 39.5" H x 31" W x 24" D

Plenty of capacity and storage at a lower profile than the Avalo 10-High Standard model.

Drawer Configuration: 3" / 3" / 6" / 6" / 10"

**Avalo Anesthesia Cart – Compact 8-High**

Product #12037-CR-8 (Core-Removable Lock System)

Product #12037-KL-8 (Keyless Lock System)

Price: See current price list.

Specs: 36" H x 31" W x 24" D

Perfectly meets the unique requirements for a lower work surface and maintains sufficient storage for most applications.

Drawer Configuration: 3" / 3" / 3" / 6" / 10"

**Accessory Bridge (Storage Tower)**

Product #12320

Price: See current price list.

Specs: Constructed of heavy-gage steel. Extends depth of cart approximately 2" when attached.

The durable accessory bridge accommodates virtually any accessory including sharps collectors, glove dispensers, label holders, stock bins, and tilt bin organizers.

**Bridge Tilt Bin Unit – 4 Bin Unit**

Product #12088

Price: See current price list.

Specs: 21" W x 8" H x 6" D

Includes four (4) clear-view tilt storage units that permit the user to see the bin contents without opening. Also features an integrated label holder.

**Bridge Tilt Bin Unit – 5 Bin Unit**

Product #12087

Price: See current price list.

Specs: 21" W x 6.5" H x 5" D

Includes five (5) clear-view tilt storage units that permit the user to see the bin contents without opening. Also features an integrated label holder.

**Bridge Tilt Bin Unit – 6 Bin Unit**

Product #12086

Price: See current price list.

Specs: 21" W x 4.5" H x 4" D

Includes six (6) clear-view tilt storage units that permit the user to see the bin contents without opening. Also features an integrated label holder.

**Bridge Storage Bins - Large**

Product #12082

Price: See current price list.

Specs: 11" L x 5.5" W x 5" D

Can be configured up to four (4) across on each level of the Avalo Accessory Bridge. Up to twelve (12) large storage bins can be accommodated on an Avalo Medical Cart.

**Bridge Storage Bins - Medium**

Product #12081

Price: See current price list.

Specs: 7.5" L x 4.25" W x 3" D

Can be configured up to five (5) across on each level of the Avalo Accessory Bridge. Up to twelve (15) medium storage bins can be accommodated on an Avalo Medical Cart.

**Bridge Storage Bins - Small**

Product #12080

Price: See current price list.

Specs: 5.25" L x 4.25" W x 3" D

Can be configured up to five (5) across on each level of the Avalo Accessory Bridge. Up to twelve (15) small storage bins can be accommodated on an Avalo Medical Cart.

**Bridge Label Dispenser – 10 Roll**

Product #12089

Price: See current price list.

Specs: 4" L x 7.25" W x 4" D

The stainless steel 10-roll label dispenser neatly organizes information warning labels and can be located in numerous locations on the cart. An optional label divider is also available.

**Bridge Label Dispenser – 20 Roll**

Product #12090

Price: See current price list.

Specs: 4" L x 13.25" W x 3" D

The stainless steel 20-roll label dispenser neatly organizes information warning labels and can be located in numerous locations on the cart. An optional label divider is also available.

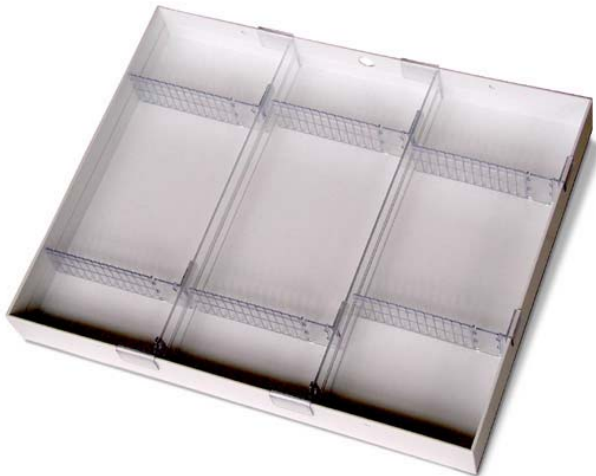

**Avalo Drawer Tray – Deluxe**

Product #12124

Price: See current price list.

Specs: 21" W x 17" D x 2 5/16" H

This divided tray for the Avalo Medical Cart Series features two (2) horizontal dividers and an assortment of short vertical and horizontal dividers. All dividers are moveable to create customized storage compartments.

**Avalo Drawer Tray – Standard**

Product #12125

Price: See current price list.

Specs: 21" W x 17" D x 2 5/16" H

This divided tray for the Avalo Medical Cart Series features two (2) vertical dividers and six (6) short horizontal dividers. All dividers are moveable to create customized storage compartments.

**Avalo Drawer Tray – Standard w/ Ampule Dividers**

Product #12126

Price: See current price list.

Specs: 21" W x 17" D x 2 5/16" H

This divided tray for the Avalo Medical Cart Series features two (2) horizontal dividers and an assortment of short vertical and horizontal dividers. All dividers are moveable to create customized storage compartments.

**Extended Work Surface**

Product #12400-LG

Price: See current price list.

Specs: Approximately 12.5" W x 16.5" L x ½" H

The slide-out extended work surface greatly expands the work area and can be positioned on either side of the cart.

**Sharps Collector Kit (Sage Case and Container)**

Product #P7048-1

Price: See current price list.

Specs: Approximately 10" W x 13/5" H x 5" D. Extends width of cart approximately 5" when attached.

The external mount Sharps Collector can be placed in a number of locations on the cart.

**Glove Dispenser**

Product # P7047

Price: See current price list.

Specs: Approximately 4" L x 11" W x 7" H. Accommodates standard disposable glove boxes. Extends width of cart approximately 4" when attached.

The Glove Dispenser accommodates standard glove boxes and can be located in a number of locations including the cart end panel and accessory bridge.

**Avalo Large Volume Waste Container with Lid**

Product #12101

Price: See current price list.

Specs: Extends width of cart approximately 6" when attached.  
Attaches to Avalo Accessory Ladder on either side of cart.

The large-volume Waste Container and Lid minimizes liner changes and simplifies the waste disposal process.

**Clear Top Mat**

Product #12093

Price: See current price list.

Specs: Approximately 1/8" thick.

A clear top mat can protect instructional documents and simplify cart maintenance and clean-up.

**Tracking Wheel**

Product #9370JA

Price: See current price list.

Specs: 5" Caster

The addition of a tracking wheel provides the user with straight line directional assistance.

**Avalo Procedure Cart – Standard 10-High**

Product #12042-CR (Core-Removable Lock System)

Product #12042-KL (Keyless Lock System)

Price: See current price list.

Specs: 43" H x 31" W x 24" D

The original model size offers enormous capacity and plenty of drawer space for storage equipment and supplies.

Drawer Configuration: 3" / 6" / 6" / 6" / 10"

**Avalo Procedure Cart – Intermediate 9-High**

Product #12042-CR-9 (Core-Removable Lock System)

Product #12042-KL-9 (Keyless Lock System)

Price: See current price list.

Specs: 39.5" H x 31" W x 24" D

Plenty of capacity and storage at a lower profile than the Avalo 10-High Standard model.

Drawer Configuration: 3" / 3" / 6" / 6" / 10"

**Avalo Procedure Cart – Compact 8-High**

Product #12042-CR-8 (Core-Removable Lock System)

Product #12042-KL-8 (Keyless Lock System)

Price: See current price list.

Specs: 36" H x 31" W x 24" D

Perfectly meets the unique requirements for a lower work surface and maintains sufficient storage for most applications.

Drawer Configuration: 3" / 6" / 6" / 10"

**Accessory Bridge (Storage Tower)**

Product #12320

Price: See current price list.

Specs: Constructed of heavy-gage steel. Extends depth of cart approximately 2" when attached.

The durable accessory bridge accommodates virtually any accessory including sharps collectors, glove dispensers, label holders, stock bins, and tilt bin organizers.

**Bridge Tilt Bin Unit – 4 Bin Unit**

Product #12088

Price: See current price list.

Specs: 21" W x 8" H x 6" D

Includes four (4) clear-view tilt storage units that permit the user to see the bin contents without opening. Also features an integrated label holder.

**Bridge Tilt Bin Unit – 5 Bin Unit**

Product #12087

Price: See current price list.

Specs: 21" W x 6.5" H x 5" D

Includes five (5) clear-view tilt storage units that permit the user to see the bin contents without opening. Also features an integrated label holder.

**Bridge Tilt Bin Unit – 6 Bin Unit**

Product #12086

Price: See current price list.

Specs: 21" W x 4.5" H x 4" D

Includes six (6) clear-view tilt storage units that permit the user to see the bin contents without opening. Also features an integrated label holder.

**Bridge Storage Bins - Large**

Product #12082

Price: See current price list.

Specs: 11" L x 5.5" W x 5" D

Can be configured up to four (4) across on each level of the Avalo Accessory Bridge. Up to twelve (12) large storage bins can be accommodated on an Avalo Medical Cart.

**Bridge Storage Bins - Medium**

Product #12081

Price: See current price list.

Specs: 7.5" L x 4.25" W x 3" D

Can be configured up to five (5) across on each level of the Avalo Accessory Bridge. Up to twelve (15) medium storage bins can be accommodated on an Avalo Medical Cart.

**Bridge Storage Bins - Small**

Product #12080

Price: See current price list.

Specs: 5.25" L x 4.25" W x 3" D

Can be configured up to five (5) across on each level of the Avalo Accessory Bridge. Up to twelve (15) small storage bins can be accommodated on an Avalo Medical Cart.

**Multi-Cavity Storage Module**

Product #12102

Price: See current price list.

Specs: 8" L x 20" W x 13" H. Extends width of cart approximately 8" when attached.

A convenient Multi-Cavity Storage Module organizes supplies and commonly used items within easy reach of the primary work area.

**IV Pole**

Product #9564B

Price: See current price list.

Specs: Fully adjustable. Extends depth of cart approximately 2" when attached.

The optional IV Pole is securely mounted to the cart and offers adjustable height function.

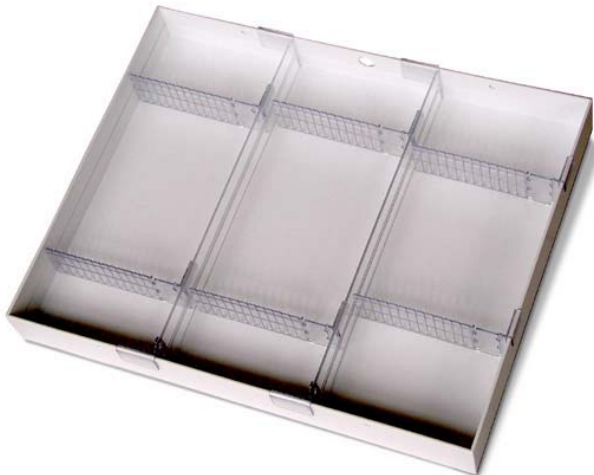

**Avalo Drawer Tray – Deluxe**

Product #12124

Price: See current price list.

Specs: 17" L x 21" W x 2 5/16" H

This divided tray for the Avalo Medical Cart Series features two (2) horizontal dividers and an assortment of short vertical and horizontal dividers. All dividers are moveable to create customized storage compartments.

**Avalo Drawer Tray – Standard**

Product #12125

Price: See current price list.

Specs: 17" L x 21" W x 2 5/16" H

This divided tray for the Avalo Medical Cart Series features two (2) vertical dividers and six (6) short horizontal dividers. All dividers are moveable to create customized storage compartments.

**Avalo Drawer Tray – Standard w/ Ampule Dividers**

Product #12126

Price: See current price list.

Specs: 17" L x 21" W x 2 5/16" H

This divided tray for the Avalo Medical Cart Series features two (2) horizontal dividers and an assortment of short vertical and horizontal dividers. All dividers are moveable to create customized storage compartments.

**Extended Work Surface**

Product #12400-LC

Price: See current price list.

Specs: Approximately 12.5" L x 16.5" W x 1/2" H

The slide-out extended work surface greatly expands the work area and can be positioned on either side of the cart.

**Sharps Collector Kit (Sage Case and Container)**

Product #P7048-1

Price: See current price list.

Specs: Approximately 5" L x 10" W x 13/5" H x. Extends width of cart approximately 5" when attached.

The external mount Sharps Collector can be placed in a number of locations on the cart.

**Glove Dispenser**

Product # P7047

Price: See current price list.

Specs: Approximately 4" L x 11" W x 7" H. Accommodates standard disposable glove boxes.

The Glove Dispenser accommodates standard glove boxes and can be located in a number of locations including the cart end panel and accessory bridge.

**Avalo Large Volume Waste Container with Lid**

Product #12101

Price: See current price list.

Specs: Extends width of cart approximately 6" when attached.

Attaches to Avalo Accessory Ladder on either side of cart.

The large-volume Waste Container and Lid minimizes liner changes and simplifies the waste disposal process.

**Clear Top Mat**

Product #12093

Price: See current price list.

Specs: Approximately 1/8" thick.

A clear top mat can protect instructional documents and simplify cart maintenance and clean-up.

**Tracking Wheel**

Product #9370JA

Price: See current price list.

Specs: 5" Caster

The addition of a tracking wheel provides the user with straight line directional assistance.

**Avalo Med/Surg Cart – Standard 10-High**

Product #12180-CR (Core-Removable Lock System)

Product #12180-KL (Keyless Lock System)

Price: See current price list.

Specs: 43" H x 31" W x 24" D

The original model size offers enormous capacity and plenty of drawer space for storage equipment and supplies.

Drawer Configuration: 3" / 6" / 6" / 6" / 10"

**Avalo Med/Surg Cart – Intermediate 9-High**

Product #12180-CR-9 (Core-Removable Lock System)

Product #12180-KL-9 (Keyless Lock System)

Price: See current price list.

Specs: 39.5" H x 31" W x 24" D

Plenty of capacity and storage at a lower profile than the Avalo 10-High Standard model.

Drawer Configuration: 3" / 3" / 6" / 6" / 10"

**Avalo Med/Surg Cart – Compact 8-High**

Product #12180-CR-8 (Core-Removable Lock System)

Product #12180-KL-8 (Keyless Lock System)

Price: See current price list.

Specs: 36" H x 31" W x 24" D

Perfectly meets the unique requirements for a lower work surface and maintains sufficient storage for most applications.

Drawer Configuration: 3" / 6" / 6" / 10"

**Accessory Bridge (Storage Tower)**

Product #12320

Price: See current price list.

Specs: Constructed of heavy-gage steel. Extends depth of cart approximately 2" when attached.

The durable accessory bridge accommodates virtually any accessory including sharps collectors, glove dispensers, label holders, stock bins, and tilt bin organizers.

**Bridge Tilt Bin Unit – 4 Bin Unit**

Product #12088

Price: See current price list.

Specs: 21" W x 8" H x 6" D

Includes four (4) clear-view tilt storage units that permit the user to see the bin contents without opening. Also features an integrated label holder.

**Bridge Tilt Bin Unit – 5 Bin Unit**

Product #12087

Price: See current price list.

Specs: 21" W x 6.5" H x 5" D

Includes five (5) clear-view tilt storage units that permit the user to see the bin contents without opening. Also features an integrated label holder.

**Bridge Tilt Bin Unit – 6 Bin Unit**

Product #12086

Price: See current price list.

Specs: 21" W x 4.5" H x 4" D

Includes six (6) clear-view tilt storage units that permit the user to see the bin contents without opening. Also features an integrated label holder.

**Bridge Storage Bins - Large**

Product #12082

Price: See current price list.

Specs: 11" L x 5.5" W x 5" D

Can be configured up to four (4) across on each level of the Avalo Accessory Bridge. Up to twelve (12) large storage bins can be accommodated on an Avalo Medical Cart.

**Bridge Storage Bins - Medium**

Product #12081

Price: See current price list.

Specs: 7.5" L x 4.25" W x 3" D

Can be configured up to five (5) across on each level of the Avalo Accessory Bridge. Up to twelve (15) medium storage bins can be accommodated on an Avalo Medical Cart.

**Bridge Storage Bins - Small**

Product #12080

Price: See current price list.

Specs: 5.25" L x 4.25" W x 3" D

Can be configured up to five (5) across on each level of the Avalo Accessory Bridge. Up to twelve (15) small storage bins can be accommodated on an Avalo Medical Cart.

**Multi-Cavity Storage Module**

Product #12102

Price: See current price list.

Specs: 8" L x 20" W x 13" H. Extends width of cart approximately 8" when attached.

A convenient Multi-Cavity Storage Module organizes supplies and commonly used items within easy reach of the primary work area.

**IV Pole**

Product #9564B

Price: See current price list.

Specs: Fully adjustable. Extends depth of cart approximately 2" when attached.

The optional IV Pole is securely mounted to the cart and offers adjustable height function.

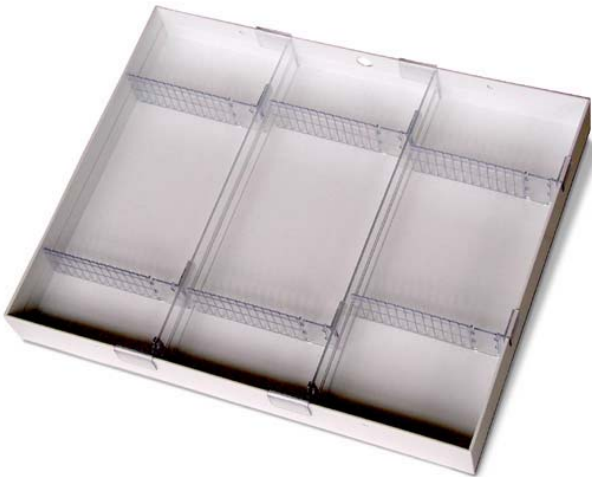

**Avalo Drawer Tray – Deluxe**

Product #12124

Price: See current price list.

Specs: 17" L x 21" W x 2 5/16" H

This divided tray for the Avalo Medical Cart Series features two (2) horizontal dividers and an assortment of short vertical and horizontal dividers. All dividers are moveable to create customized storage compartments.

**Avalo Drawer Tray – Standard**

Product #12125

Price: See current price list.

Specs: 17" L x 21" W x 2 5/16" H

This divided tray for the Avalo Medical Cart Series features two (2) vertical dividers and six (6) short horizontal dividers. All dividers are moveable to create customized storage compartments.

**Avalo Drawer Tray – Standard w/ Ampule Dividers**

Product #12126

Price: See current price list.

Specs: 17" L x 21" W x 2 5/16" H

This divided tray for the Avalo Medical Cart Series features two (2) horizontal dividers and an assortment of short vertical and horizontal dividers. All dividers are moveable to create customized storage compartments.

**Extended Work Surface**

Product #12400-LC

Price: See current price list.

Specs: Approximately 12.5" L x 16.5" W x 1/2" H

The slide-out extended work surface greatly expands the work area and can be positioned on either side of the cart.

**Sharps Collector Kit (Sage Case and Container)**

Product #P7048-1

Price: See current price list.

Specs: Approximately 5" L x 10" W x 13/5" H x. Extends width of cart approximately 5" when attached.

The external mount Sharps Collector can be placed in a number of locations on the cart.

**Glove Dispenser**

Product # P7047

Price: See current price list.

Specs: Approximately 4" L x 11" W x 7" H. Accommodates standard disposable glove boxes.

The Glove Dispenser accommodates standard glove boxes and can be located in a number of locations including the cart end panel and accessory bridge.

**Avalo Large Volume Waste Container with Lid**

Product #12101

Price: See current price list.

Specs: Extends width of cart approximately 6" when attached.

Attaches to Avalo Accessory Ladder on either side of cart.

The large-volume Waste Container and Lid minimizes liner changes and simplifies the waste disposal process.

**Clear Top Mat**

Product #12093

Price: See current price list.

Specs: Approximately 1/8" thick.

A clear top mat can protect instructional documents and simplify cart maintenance and clean-up.

**Tracking Wheel**

Product #9370JA

Price: See current price list.

Specs: 5" Caster

The addition of a tracking wheel provides the user with straight line directional assistance.

**Avalo Critical Care Cart – Standard 10-High**

Product #12181-CR (Core-Removable Lock System)

Product #12181-KL (Keyless Lock System)

Price: See current price list.

Specs: 43" H x 31" W x 24" D

The original model size offers enormous capacity and plenty of drawer space for storage equipment and supplies.

Drawer Configuration: 3" / 6" / 6" / 6" / 10"

**Avalo Critical Care Cart – Intermediate 9-High**

Product #12181-CR-9 (Core-Removable Lock System)

Product #12181-KL-9 (Keyless Lock System)

Price: See current price list.

Specs: 39.5" H x 31" W x 24" D

Plenty of capacity and storage at a lower profile than the Avalo 10-High Standard model.

Drawer Configuration: 3" / 3" / 6" / 6" / 10"

**Avalo Critical Care Cart – Compact 8-High**

Product #12181-CR-8 (Core-Removable Lock System)

Product #12181-KL-8 (Keyless Lock System)

Price: See current price list.

Specs: 36" H x 31" W x 24" D

Perfectly meets the unique requirements for a lower work surface and maintains sufficient storage for most applications.

Drawer Configuration: 3" / 6" / 6" / 10"

**Accessory Bridge (Storage Tower)**

Product #12320

Price: See current price list.

Specs: Constructed of heavy-gage steel. Extends depth of cart approximately 2" when attached.

The durable accessory bridge accommodates virtually any accessory including sharps collectors, glove dispensers, label holders, stock bins, and tilt bin organizers.

**Bridge Tilt Bin Unit – 4 Bin Unit**

Product #12088

Price: See current price list.

Specs: 21" W x 8" H x 6" D

Includes four (4) clear-view tilt storage units that permit the user to see the bin contents without opening. Also features an integrated label holder.

**Bridge Tilt Bin Unit – 5 Bin Unit**

Product #12087

Price: See current price list.

Specs: 21" W x 6.5" H x 5" D

Includes five (5) clear-view tilt storage units that permit the user to see the bin contents without opening. Also features an integrated label holder.

**Bridge Tilt Bin Unit – 6 Bin Unit**

Product #12086

Price: See current price list.

Specs: 21" W x 4.5" H x 4" D

Includes six (6) clear-view tilt storage units that permit the user to see the bin contents without opening. Also features an integrated label holder.

**Bridge Storage Bins - Large**

Product #12082

Price: See current price list.

Specs: 11" L x 5.5" W x 5" D

Can be configured up to four (4) across on each level of the Avalo Accessory Bridge. Up to twelve (12) large storage bins can be accommodated on an Avalo Medical Cart.

**Bridge Storage Bins - Medium**

Product #12081

Price: See current price list.

Specs: 7.5" L x 4.25" W x 3" D

Can be configured up to five (5) across on each level of the Avalo Accessory Bridge. Up to twelve (15) medium storage bins can be accommodated on an Avalo Medical Cart.

### **Bridge Storage Bins - Small**

Product #12080

Price: See current price list.

Specs: 5.25" L x 4.25" W x 3" D

Can be configured up to five (5) across on each level of the Avalo Accessory Bridge. Up to twelve (15) small storage bins can be accommodated on an Avalo Medical Cart.

### **Multi-Cavity Storage Module**

Product #12102

Price: See current price list.

Specs: 8" L x 20" W x 13" H. Extends width of cart approximately 8" when attached.
