AutoLock™ Automatic
Relocking and optional security upgrades.

AutoLock™
by Artromick

ID BADGE ACCESS

Use a mag stripe card as an additional security requirement or simply as the primary access method.

The SlotLock™ Security System applies to the entire Avalo AC medication cart and secures all partially closed drawers and bins left open up to 1 inch.

KEYLESS NARCOTIC STORAGE

Add a second level of lock security to any size drawer...in any location on the medication cart.

ALSO AVAILABLE

Key Access
with Manual
Relocking.
