

Good day,  
We have pleasure in submitting our pricelist for your perusal and records.

Item number	Qty	Item Description	Unit Price Incl 15% VAT	Total Price Incl 15% VAT
		<p><b>Norco® Big-Grip™ Adaptive Eating Utensils</b></p> <p>Cushioned grip keeps the utensil in the hand—even when wet.</p> <p>These stainless steel utensils feature a 1-3/8" (3.5cm) built-up handle. The soft, latex-free material has flexible ribbing that adapts to any grip. This handle design is so unique, it has a U.S. patent.</p> <p>The forks and spoons have a special twist built into the metal shaft that allows them to be bent to any angle, for either left or right-handed use. This is a great solution for persons with limited hand-to-mouth reach. Persons with hand arthritis, neurological impairments or generalized weakness will find these utensils comfortable, less stressful to hold and easily adaptable.</p> <p>The special edge of the Serrated Rocker Knife provides added stability while cutting, including meat.</p> <p>The Souper Spoon™ with raised lip is ideal for persons with tremors, poor hand control, arthritis, stroke, or Parkinson's disease. The innovative lip is specially designed to keep liquids and food on the spoon while moving from the plate to the mouth.</p> <p>The Coated Teaspoon is coated with a white silicone layer which helps to protect teeth and lips from injury.</p> <p>The Utensils Set includes a fork, small spoon, teaspoon, tablespoon, and rocker knife.</p> <p>All utensils are institutional dishwasher safe.</p> <p>Not made with natural rubber latex.</p>

	1	<b>SureFit™ Food Guard NC35244</b>  Attractive enough for any table.  The inconspicuous design of the SureFit™ Food Guard makes it ideal for home use or when dining out. Clear polycarbonate plastic is strong and functional, yet attractive. A snug fit means that the guard stays on the plate securely when food is scooped up against it. Tapered ends prevent interference with utensils. The grooved edge simply slides onto the plate, forming a gapless fit. Can be attached quickly, even by clients with the use of just one hand. Guards nest together for compact storage. Top rack, household dishwasher safe. Fits plates with a diameter of 8-1/2" to 10" (21 to 25cm).	R203.34	<b>R 203.34</b>
	1	<b>GripWare™ Round Scoop Dishes NC32514</b>  Low front and high back are ideal for persons with limited motor coordination or the use of only one hand.  GripWare™ is a unique line of dishes that feature round, nonskid feet. The feet have a textured rubber surface that grips tabletops and helps prevent plates from sliding. Available in both Plastic or Melamine (not shown). Both styles are 8" in diameter. Household dishwasher safe. Not microwaveable.	R150.70	<b>R 150.70</b>
	1	<b>GripWare™ Scoop Dish NC39252</b>  Grooved lip on the rim helps hold the utensil.  GripWare™ is a unique line of dishes that feature round, nonskid feet. The feet have a textured rubber surface that grips tabletops and helps prevent plates from sliding. GripWare™ dishes instill confidence by helping to maintain a clean eating environment. Dish measures 9" (23cm) in diameter. Curved edges allow food to be scooped up more easily by persons with limited motor coordination. Utensils can rest in the groove on the rim. Made of melamine and should not be microwaved. Household dishwasher safe.	R363.70	<b>R 363.70</b>
	1	<b>Scoop Bowl NC35228</b>  Rolled-edge helps children eat without spills.  Prevent spills and overflow with the Scooper Bowl. Children will love the unique shape. Rubber-ring base prevents sliding. Bowl has a 5" (13cm) diameter and height of 2 1/2" (6.35cm). Unbreakable. Top rack household dishwasher safe. Colors may vary.	R272.41	<b>R 272.41</b>
	1	<b>Scoop Plate with Suction Cup Base NC36068</b>  Suction cup base holds the plate securely and prevents spilling.  High rim and reverse curve on one side aids in scooping food onto a utensil without spilling. The bottom of the plastic dish has a rubber suction base to prevent skidding. Measures 6-3/4" (17cm) in diameter and is 2-3/4" (7cm) high. Dishwasher safe.	R294.15	<b>R 294.15</b>
<b>Nose Cut-Out Tumblers</b>  <div>  <div> <p>Enables drinking without tilting the head.</p> <p>Nose Cut-Out Tumblers are ideal for people who choke easily or cannot tilt their heads back due to neck injuries.</p> <p>Useful for children who have cerebral palsy.</p> <p>The cutout fits comfortably around the nose when drinking.</p> <p>The 2-7/8" (7.3cm) wide opening allows the therapist to observe the liquid going into the client's mouth.</p> <p>The colored tumbler is made of a rigid, Non-Flexible plastic (color may vary Beige or Blue).</p> <p>The Clear-Green tumblers are made of Flexible polypropylene plastic.</p> <p>Three sizes are available: 4 fl. oz., 8 fl. oz. and 12 fl. oz. (118ml, 237ml, and 355ml).</p> <p>Household dishwasher and microwave safe.</p> </div>  </div>
